The Golden Egg

Once upon a time, a farmer had a goose that laid a golden egg every day. The egg gave them a lot of money for the farmer and his wife for their day needs. The farmer and his wife were happy for a long time. But one day, the farmer got an idea and thought, "Why should I take just one egg a day? Why can't I take all of them at once and make a lot of money?"

The farmer's wife also agreed and decided to cut the goose's stomach for the eggs. As soon as they opened the bird, they found nothing. The farmer, realizing his mistake.

**What did the goose put?** \_\_\_\_\_

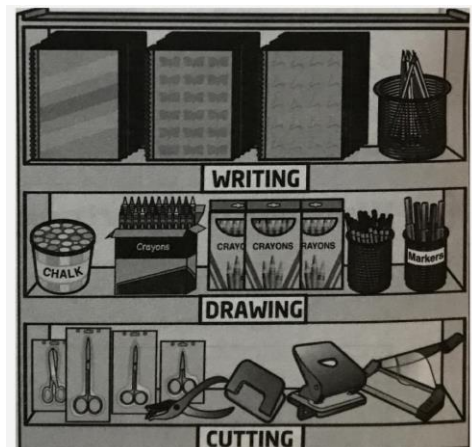

**What did they find when they open the bird?** \_\_\_\_\_

**How many eggs did the goose put for day?** \_\_\_\_\_
